

Week 9 Power Rankings

- 1. Thunder (26-1)** – Thunder is good blah blah blah. More importantly Joe Punda's wife is the best tipper on Friday nights. (Last Week 1) (PPG 32.7, PA 12.4)
- 2. Armageddon (23-4)** – Norsemen must be the only species that will survive an Armageddon because they sure do have these guys number. (Last Week 3) (PPG 31.5, PA 16.6)
- 3. Unknowns (23-4)** – Thunder does not lose to teams twice in a year that's just math. (Last Week 2) (PPG 26.2, PA 18.1)
- 4. Untouchables (19-8)** – Finally back to the team I remember, but some of those trick plays were forgettable and whoever they have rushing ate Kory Fortman for dinner last week. (Last Week 5) (PPG 24.2, PA 19.4)
- 5. Norsemen (18-9)** – Beat Armageddon but lost to Crush. That's normal. (Last Week 4) (PPG 24.9, PA 17.1)
- 6. Dome (19-8)** – It was actually tough to watch this team play Untouchables. I think Kory was phantom sacked in this game. (Last Week 6) (PPG 24.4, PA 18.1)
- 7. Lynch Mob (17-10)** – Cooled off this week, but still in the hunt for the top spot in the South Division. (Last Week 7) (PPG 21, PA 17.8)
- 8. Gunshow (17-10)** – Nothing Flashy, but their Jerseys. (Last Week 8) (PPG 21.1, PA 15)
- 9. Outkast (16-11)** – I don't know if any of you guys watch SEC Basketball, but Marshall Henderson would be a great fit on this team. (Last Week 9) (PPG 23.1, PA 23)
- 10. Crack Attack (15-12)** – Actually put together a good week and looking like they could make a push late in the season. (Last Week 10) (PPG 20.6, PA 19.3)
- 11. Pez (14-13)** – Over the 500 hump, I think they are getting used to the new system without Tim under center. I've actually seen Tim in the endzone of late. (Last Week 11) (PPG 20.7, PA 18)

- 12. Blue Zone (13-14)** – So they actually beat Outkast last week. But then they lost to Multiple Scorgasms twice... Did anyone actually believe that? (Last Week 13) (PPG 21.8, PA 21.7)
- 13. Lake Flacid (10-17)** – This team may be the funniest to watch. They are funnier less serious Outkast. (Last Week 12) (PPG 19.8, PA 22.2)
- 14. Crush (8-19)** – How did this team beat two top teams last week? We all know how they beat the team just below them. (Last Week 17) (PPG 15, PA 22.9)
- 15. Schmutechs (9-18)** – All I'm going to say is 2-7, but I'm not going to put a name on it. (Last Week 15) (PPG 19.3, PA 22.3)
- 16. Goodfella's (9-18)** – Sal showed up early drinking only coconut water to prepare for the game. Didn't matter though they went 3-0. (Last Week 14) (PPG 19.3, PA 23.4)
- 17. Primetime (5-22)** – It has to piss these guys off that guys that are out of shape and older are blowing them out of the water. (Last Week 16) (PPG 13.1, PA 24.7)
- 18. The Lightning (5-22)** – Most teams take a few years to understand a 4 on 4 league and some people just never get it. (Last Week 18) (PPG 13.3, PA 26.1)
- 19. Fumble This (3-24)** – Are first no shows of the year and with only two games on the schedule. (Last Week 19) (PPG 13.7, PA 24.2)
- 20. Multiple Scorgasms (0-27)** – I'm thinking of asking the LFL to play Scorgasms for their spot in the league. (Last Week 20) (PPG 8.1, PA 32.2)
